The Daily Advertiser becomes platinum sponsor of the Italian Connection Trophy Rally –
Gundagai festivities

Gundagai Shire Councillor, William Maslin, today said he was thrilled to announce *The Daily Advertiser* as the platinum sponsor of the Italian Connection Trophy Community Rally Dinner.

As part of the deal, *The Daily Advertiser* has been granted the naming rights of the Community Rally Dinner to be held in Gundagai on Saturday May 21, at the Gundagai District Services Club.

"This is the second year *The Daily Advertiser* will be supporting the Italian Connection Trophy and to have them as a media partner and platinum sponsor is very exciting", Cr Maslin said.

The Italian Connection Trophy is a social motoring rally between Melbourne and Sydney raising awareness and funds for the Duchenne Foundation, a research organisation working on a cure for Duchenne Muscular Dystrophy.

"Last year the rally raised \$25,000 and entertained over 350 people along the way and this year will be no exception", Cr Maslin concluded.
