Garden Competition back in 2010

Gundagai Shire Councillor, William Maslin, today announced that the Garden Competition will be back later in 2010.

The competition which last ran in 2006 had not been held on subsequent years due to the lack of rainfall, but with an encouraging start to the year and bulb going on sale now, it may be the right time to revive the competition.

"The idea behind the competition is to encourage people to get out in their garden during the year which is a great way to relieve the stresses of today's busy world, and also creates a sense of satisfaction and achievement for the gardener," Cr Maslin said.

"Gardening is very important to the civic appeal of a community but is also a great way for a gardener to express their personality.

"Details and competition information will be released later on in the year, so if you want to make the most of the year and get ready now, I am sure the bulbs will be on sale soon!," Cr Maslin concluded.

**End.**
